News & notes

Send your news to mshearer@alltel.net by Sunday evening each week.

Save the date for Camp Enterprise: Tom Cummiskey announced that Camp Enterprise will be held June 9-11th. As in the past, he is asking for cash donations and for promotional items for the student's "goodie bag" ... except for water bottles which they have more than enough of left over from past years. Also, be thinking about volunteering. Contact Tom or co-chair, **Veronica Link**.

Read With Me needs mentors: Jennifer Utrevis asked for volunteers, Rotarians and/or their spouses, to participate in the "Read With Me" program. Mentors are needed at Ben Franklin, Johnny Clem, Hillview, Carson and McGuffey. When our club first got started with the read with me program we had 17 volunteers. There are 5 helping right now. We have 21 kids with no adult male role model in the home. Please consider helping with this very worthwhile project.

Gary Baker DVD available: If you enjoyed Gary's Jan. 20 DVD of "An American in Paris," more copies are available for \$20 at the next few meetings, with a portion of the proceeds going to the Licking County Historical Society. Or call 344-4850. Checks should be made out to Baker Media.

Group study exchange coming in May: Past president **Tom Marcelain** reports District 6690 will be hosting a Group Study Exchange from Argentina in May of this year, and our club would be a potential host club. Before we make that commitment though, we would want a strong indication of how many families would be willing to host a GSE member in their home for 3-5 days. We would need 5-6 host families for the program to be successful. Please contact either **Tom Marcelain** or **Tony Adams** for questions. Both Tom and Tony have been GSE leaders.

Secretary help needed: Anyone interested in helping out in that role to please contact President Michelle while Ray Kress is recovering.

Last week's meeting

By *Rick Battat*

President **Michele Layman** called the meeting to order.

Rick Platt gave the invocation plus a little humor.

Tom **Slater** led us in *This is My Country* to honor our democratic process of handing over power.

Director, **Jeff Lawyer** introduced the following: guests: Julie Novel, guest of **Tom Hall**; Eduardo, our exchange student from Brazil; visiting Rotarian: Damon Kuhn from the Logan club.

Student guests: **Mike Green** introduced Daniella Bidigaire-Curtis and Luke Bennett from Granville and their Dean of Students, Matt Durst. **Dan Dupps** introduced Andrea Hewitt and Regina Troung from Heath High School and also Mackenzie Matthews, guidance counselor.

Todd Ware has completed his mentoring program and sponsor, **Donna Carpenter** helped present him with his blue badge.

Sergeant-at-Arms, **Pat Jeffries** leveled his wit, and fines, at the following: **Todd Ware** (badge transfer fee), **Dan DeLawder** (for having one of the top banks in Ohio), **Jon Spahr** (for retiring ... maybe), **John Weaver** (for being in the flood of 1959), **Wes Humble** and **Bob Raker** (picture in the paper), **Steve** and **President Michelle Layman** (couple of the week in Angie's column) and **Tom Hall** (birthday on inauguration day)

Jack Neely introduced **Gary Baker** who told us a little bit about the video we were about to see. Last summer, **Mike Morris** and **Peter Larson** sat down with Gary and discussed a project they wanted to do. There is a video called "Our Town" which is composed of old, black & white footage of Newark and Licking County. The concept was to put together a movie that would be in sync with the Newark-Granville Symphony's rendition of Gershwin's *American in Paris*. Gary took archive footage from the Historical Society, the Bicentennial committee and recent footage of his own that he has taken over the last 20 years. The movie we saw was synced to a recording of *American in Paris* but the performance with the Licking County-Granville Symphony was live. Gary recorded the Symphony rehearsing the piece and when he first played it with the movie it was off by a few minutes so he had to re-edit the movie. During the actual performance, it was within seconds of being perfect. The music and the video combined to make a very enjoyable and fascinating program. .

As a bonus, Gary showed some video clips of younger versions of Hugh **Price**, and **Pat Jefferies**.
