**Rotarian Rod Lee dies: President Michele Layman** announced Dec. 30 that **Rod Lee**, a 40-year member of our Rotary Club and Paul Harris Fellow, had passed away at his home on Sunday morning. There will be a Memorial service at a later date, possibly in the summer, and **Michele** will keep us informed. She then read a **Resolution of Respect which recognized Rod's service to Rotary and his community**. A copy will be presented to his family.

**Secretary help needed:** Anyone interested in helping out in that role to please contact President Michelle while Ray Kress is recovering.

**Exchange students need your time:** The club is hosting two foreign exchange students this year. Karina Santillanes is from Chihuahua, Mexico. Eduardo Zanella is from Medianeira, Brazil. **Rod Yost** and his wife are hosting Eduardo. Karina is staying with **Doug** and Sue **Mill**. The club should keep these two students in mind. Any opportunities that you might be able to

include them in family activities or events that would be of interest please let Rod or Doug know.

#### **Last week's meeting**

*By Donna L. Carpenter*

Upon entering The Warner Library and Student Center, Rotarians were directed to a sign in table, picked up their badges and received a meal ticket. We then proceeded to review all the various food items available to us, made our choices and joined approximately 112 Rotarians and guests for a great lunch.

**President, Michele Layman**, called the meeting to order and turned it over to **Dr. William (Bill) MacDonald**, President of The Ohio State Newark Campus. **Bill** welcomed everyone, on behalf of OSU as well as his friend and colleague, **Dr. Bonnie Coe**, President of the COTC Campus.

**Bill** also highlighted that Robertson Construction, our member **Christian Robertson's** company, built the Warner Center and did a terrific job. **Bill** also reminded everyone that campus students and staff recycle and pointed how Rotarians could support this effort as they cleaned off their tables and prepared for the tours. Campus staff would be providing tours after the meeting and they looked forward to everyone having an opportunity to see this wonderful community resource.

**President Michele** then asked **Dr. Hal Kelch** to provide the invocation and lead us in the pledge of allegiance. **President Elect, Jeff Lawyer**, then began guest introductions with **Jim Riddle** from the Granville Club and asked **Rick Battat** to introduce our exchange student **Eduardo Zanella** and his friend, **Xavier Cook**. Rotarians guests included: **Karen Krinn (Gary)**, **Ann Oberfield (Jack)**, **Suzy Heckman**, guest of **Dan Stricker**, **Diane Paetz (Fred)**, **Sandy Baldwin (Bob)**, **Joan Wilson (Ray)**, **Christian Robertson II & Grant Robertson (Christian's sons)**; **Gwen Fargo (Harland)**, **Alice Ann Abel (Glen Abel)**; **Dave Froelich** guest of **Pat Jeffries**; **Matt Snyder** son of **Cheryl Snyder**

was home from Vanderbilt University; **Margie Weaver** was a guest of **John Weaver** along with their daughter, **Anne**; **Stephen Fowler** introduced his guests **Phil Kraus**, **Jamie Hise** and **Isabella Gonzaga**, who are part of a new business at the former Dynacraft site in West Newark.

**President Michele** then thanked **Bill MacDonald** and the campus staff for hosting the meeting, conducting the tours and sharing this wonderful resource with all of us. The meeting was adjourned and members then joined staff members for tours.

#### **Message from the chair -- Promote our Foundation's good work**

If the general public were aware of half of the good work our Rotary Foundation does, I'm convinced we would be inundated with contributions and prospective members. That's why one of our goals for 2008-09 is to work with Rotary International to enhance our public image.

How can we do this? One way is by working with local media to publicize our humanitarian projects. Make sure that people in the communities where we work know that The Rotary Foundation and local Rotarians are behind that new water well or health clinic or school. Publicize the international projects your club is sponsoring with Foundation grants. Invite the media to meet with a visiting Group Study Exchange team or an Ambassadorial Scholar studying in your community. All of us have inspirational Rotary stories to tell. Let's make sure we share them with others.

In recent years, our Foundation's presence on the international stage has grown enormously, thanks to our role in global polio eradication. It's time to bring the news of our achievements to the local level. January is Rotary Awareness Month, an excellent time to inform our communities about the many ways that The Rotary Foundation is doing good in the world.
