**Program:**

Our program speakers Linda Linham and Dave Brenner were introduced by Rotarian Susan Fryer.

"Creating economic vitality through – Partnerships"

Linda owns a company "Successful Ventures" that works with small business, helping them market themselves and coaching them to the next level.

She pointed out three key ingredients for her company

1. Results
2. Goal setting and planning
3. Experience brings acceleration growth.

Dave Brenner spoke about "the corridor projects," including the new expressway

(161) that opened this past year. We still have four more to complete.

There is no stronger economic stimulus than opening a new expressway.

We have a great opportunity to bring people into this community. We need to find new ways to reach these travelers through new high tech devices.

Linda and Dave are on a steering committee with five other women including our own Susan Fryer to look into an online business model for this new concept of connecting business, tourism, marketing, and consumers.

A new web site was created: [www.tristateroadtrip.com](http://www.tristateroadtrip.com)

It's all about the experience.

Currently there is free business advertising available on this web site, however in the future they will charge, it will be very affordable for the small business to get recognized.

Their will be a seven-week promotional campaign to kick off this web site.

In closing Linda asked us to do three things to help them.

- 1.) Register as a member.
- 2.) Check to see if your business is listed on the web site, edit and change anything that needs corrected.
- 3.) Ask ten (10) friends, family members, colleagues to do the same.

Please provide them with feed back so they can see how the web site is doing.
